# ABOUT COMPANY

## About Waris Packages

Since 1986, Waris Packages has been at the forefront of manufacturing high-quality flexible plastic packaging solutions. With decades of experience, we specialize in producing a wide range of polythene films, poly bags, and other plastic packaging materials that meet the diverse needs of our clients. Our commitment to excellence has made us a trusted name in the industry. Having the vision in mind, the company is capable of serving diverse plastic packaging customers under one roof.

## CHAIRMAN

### MR SABIR ALI NAMBERDAR

Waris Packages was established in 1986 by Mr. sabir ali namberdar. With a vision to provide high-quality-polybag solutions to the market, Mr. sabir started the company from scratch and took it to great heights with his sheer determination and hard work.

## DIRECTOR

### MR WARIS ALI

Mr. WARIS ALI became an integral part of the Waris Packages in 2000. He is very energetic and takes responsibility for the smooth delivery of products to customers. He ensures not just the quantity but the quality too. Mr. WARIS is quite popular among the local business community

## CEO

### MR MEHSAM ABBAS

Mr. MEHSAM is the natural talent and brains of Waris Packages, with his God-gifted inherent ability. Mr. MEHSAM believes in innovation. He is taking care of Waris Packages from raw to finished goods.
